

Let people be people

Music: Nicolas Kristoffersen

Lyrics: Nicolas Kristoffersen

V: G / Am / Em / D / G / Am / D / G

CH: Am / Em / D / G / Am / Em / D / G

/1/

With heads high and smiles

We spread across the globe

To show how the people can live a life of peace

If we help each other up the slope

/CH/

Stand up against racism, sexism

Let people be people

As long as their tolerant and don't hurt others

Stand up against racism, sexism

Let people be people

As long as their tolerant and don't hurt others
