

Tribute to the Planet

Music: Nicolas Kristoffersen

Lyrics: Nicolas Kristoffersen

Am / D / G / Em

1:

Get yourself together

Massive love transcends you mind

Condense it into sunshine

It is your torch in the darkest days to make you feel alright

Take of to to fly across the land

Look down at the fields

They hold the wisdom of a million years.

CH:

Pay tribute to the planet.

Pay tribute to life

Pay tribute to the planet.

It too will feel alright.

2:

All them memories come back to you.

Transcends your mind and stays.

Condense it into sunshine.

It is your torch in the darkest days, to make you feel alright.

Take in in at let light it up.

Look up at the skies above.

They hold the wisdom they encapsulate you love.

CH:

Pay tribute to the planet.

Pay tribute to life

Pay tribute to the planet.

It too will feel alright.

3:

When you reach your destination

Feel the freedom in you mind

Condense it into to sunshine

It is your torch in the darkest days to make you feel alright

Use it to see the that you are free.

Look for the pease inside.

And realize that love is all you need.

CH:

Pay tribute to the planet.

Pay tribute to life

Pay tribute to the planet.

It too will feel alright.
